

MCC Tuition Waiver Information for In-District

Citizens 65 and Older

Senior Citizens (65 and older) who live **in-district** can enroll in **most** Metropolitan Community College classes using a senior tuition waiver, which covers the cost of the class (tuition) on a space-available basis after the class has achieved the required minimum enrollment. ****See exception below****

This tuition waiver **excludes** lab fees, general fees, books, supplies, special program fees, etc.

Senior citizens who wish to enroll in a course at MCC and use the senior tuition waiver, **may only enroll after the class has been available for enrollment for tuition-paying students.** The dates that seniors may begin enrolling with a tuition waiver are listed below:

Semester	Date Seniors May Enroll and Use Tuition Waiver	Semester Begins
Summer 2017	Thursday, June 1	Monday, June 5
Fall 2017	Monday, August 21	Wednesday, August 23
Spring 2018	Friday, January 12	Tuesday, January 16

During this enrollment period, senior citizens can come to campus to enroll, or they can enroll online through their Student Center at myMCCCKC (www.mcckc.edu). If enrolling online, seniors wanting to use the waiver should choose the **Pay by Senior Citizen Tuition Waiver** payment option on the payment page. Choosing this option will hold their classes for 7 days, allowing time to submit the form and pay any fees that are due. Seniors who choose not to use the waiver are free to enroll anytime enrollment is available, but are expected to meet the same payment requirements as other students to hold their classes. Enrollment does require applying for admission, which can be done online ahead of time on the MCC website at www.mcckc.edu or in person at an MCC campus.

****Exception**** The senior tuition waiver does **not** apply to **most** physical education courses, as they are not designed with the same capacity guideline. Examples of courses that do **not** qualify for a senior waiver are: Body Building, Physical Fitness, Aerobics, Water Aerobics, Fitness Walking and Individual Wellness. Examples of courses that do not have recreation/fitness center usage as part of the requirement and **are** approved for a senior tuition waiver are: Intro to Exercise Science, Physical Ed and Recreation, Principles of Health, First Aid/CPR, and Topics in Physical Education. Seniors who wish to participate in physical fitness classes or activities are invited to sign up for a reduced-rate senior membership at a campus recreation or fitness center in order to take advantage of all the center offers. For more information about the recreation/fitness centers, visit the center on campus or contact one of these individuals below. (Note: Memberships are not currently offered at Penn Valley.)
