

University of Missouri

Bachelor of Science in Accountancy & Master of Accountancy

Transfer Guide for Metropolitan Community College

This plan is intended only as a general guide based on requirements in the 2013-2014 University of Missouri undergraduate catalog. Check the following web sites for current course descriptions, prerequisites, course equivalencies and other specific details about the accountancy degree:

- 1) College Catalog (<http://registrar.missouri.edu>)
- 2) Transfer Equivalencies (<http://transfercourses.missouri.edu> or <http://transfer.org>)
- 3) General Education (<http://generaleducation.missouri.edu>)
- 4) School of Accountancy (<http://business.missouri.edu/programs-and-admissions/accountancy/academics>)

Admission to the Accountancy Program - The combined BSAcc/MAcc (150-hour) program is open to qualified undergraduate students at MU as well as qualified undergraduates who transfer to MU from other colleges and universities. Rapid growth in recent years in accountancy enrollment relative to instructional resources has triggered a need to implement enrollment limits.

To be considered for admission to the professional program:

- 1) Students must be in residence full-time (at least 12 hours) at MU for one semester.
- 2) Pre-accountancy courses are required to be completed or in-progress at the time of application. The pre-accountancy courses are listed below.
- 3) Students must have a 3.0 UM cumulative GPA. The UM GPA includes only grades from MU, UMSL, UMKC or Missouri S&T.
- 4) Students must have a 3.0 in each of ACCTCY 2036 and 2037 (or ACCTCY 2026 and 2027).
- 5) Students must have a 3.0 average GPA (all graded hours) over the set of specified pre-accountancy courses.
- 6) A minimum of 54 semester hours of college-level credit must be completed.
- 7) 70 Professional Development Program Points (approximately 7 events) are required. The Professional Development Program (PDP) is a program that goes beyond the classroom to prepare Trulaske College of Business undergraduate students for a successful career. Points are earned by attending seminars and other activities. Once admitted to upper level, students must continue to earn PDP points.

Meeting the minimum requirements does not guarantee admission. Admission decisions are made in the spring for fall admissions only. Admission cutoffs are revised each year in order to limit admissions to the 150-Hour Accountancy Program to approximately 135 students, the limit that can be served with current authorized faculty staffing and still maintain program quality and meet accreditation standards. Students meeting the minimum requirements are selected for admission based on their cumulative GPA of record until the enrollment limit for that year is reached. Admission is very competitive; in recent years an overall cumulative GPA of well above a 3.0 was necessary to be admitted to the 150-Hour Program.

For more information about the Bachelor of Science in Accountancy and Master of Accountancy, please contact the Trulaske College of Business Advising Office at (573) 882-7073 or business@missouri.edu.

University of Missouri		Metropolitan Community College
COURSE	CREDITS	EQUIVALENT COURSE (CREDITS)
*State Requirement in Government or History(3 credits)		
State Requirement in Government or History	3	Select a state requirement from the general education list.
*Biological, Physical, or Mathematical Sciences (9 credits) Courses from two of the three categories. Math sciences do not include Math/Stat courses used to fulfill other requirements. One course must be a lab.		
Science	3-5	Select sciences from the general education list.
Science (lab course)	3-5	
Science (if needed)	3-5	
Humanities/Fine Arts (9 credits) Courses from at least two different departments.		
<input checked="" type="checkbox"/> The philosophy course may also count toward the accountancy foundation requirements.		
PHIL 1000 General Intro to Philosophy or PHIL 1100 Intro to Ethics or PHIL 1200 Logic and Reasoning	3	PHIL 100 Intro to Phil (3) or PHIL 203 Ethics (3) or PHIL 200 Logic (3)
*Humanity	3	Select humanities from the general education list.
*Humanity	3	
Non-Business Electives (5 credits)		
Choose electives to reach 120 undergraduate hours.		
*Upper Level Humanity or Science (one course)		
<input checked="" type="checkbox"/> The upper-level general education course may also count toward sciences or humanities.		
One humanity or science must be 2000-level or above	3	Select 200/2000-level science or humanity from the general education list. Level is based upon the community college course number, NOT the MU equivalent.
Writing Intensive (6 credits) Must be completed with a grade of C- or better.		
*Writing Intensive course from anywhere in the curriculum	3	Must be taken at MU unless satisfied via completion of an AA degree.
Writing Intensive course numbered 3000 or above in business	3	Must be taken at MU.
