2+2+2 equals the smartest, smoothest way to a degree.

MCC, MWSU and UMKC are equal-opportunity, affirmative-action employers.
The smoothest, most convenient and affordable way to obtain your master’s degree in education is our 2+2+2 program. This program teams the power of three great higher-educational institutions and ties them together for easy transfers.

It’s convenient because MCC’s five campuses cover the area, and both Western and UMKC offer courses at the Platte County Resource Center.

Every step of the way goes through accredited Missouri-supported institutions of higher education.

### The First Step:
**Metropolitan Community College**

The first two years at MCC give you a smooth transition from high school thanks to small personal classes, class times and days that conveniently meet your schedule, including on line courses.

Finally, MCC’s tuition cost is the best value in town.

### The Second Step:
**Western**

You’ll enroll as a junior at Missouri Western State University where two more years will earn you a bachelor’s degree. Western classes held in the Kansas City Northland give you nearby convenience.

### The Third Step:
**University of Missouri-Kansas City**

You can take your bachelor’s degree to UMKC, spend two years, and leave with your master’s degree.

### Scholarships Pave the Way:
**MCC Scholarships and Grants for High School Students**

Metropolitan Community College offers dozens of scholarships and grants.

MCC is part of the A+ Program that can cover most of the college costs of qualified students from A+ designated high schools.

For more information, see MCC’s website, www.mcckc.edu and click on “alumni/foundation”, or call 816/759-1195.

**Western Scholarships for Community College Students**

Western students who have completed 60 hours at a junior or community college with a cumulative GPA of 3.5 or better are eligible for the Community College President’s Scholarship. The award is restricted to full-time students entering Western for the first time. The scholarship must be used in the student’s first four regular semesters (excluding summer sessions) of full-time attendance (semesters need not be consecutive). The student must maintain a 3.5 GPA or better each semester to remain eligible. The scholarship totals $3500 per year.

Western students who have completed 60 hours at a junior or community college with a cumulative GPA of 3.0 or better are eligible for the Community College Regent’s Scholarship. The award is restricted to full-time students entering Western for the first time. The scholarship must be used in the student’s first four regular semesters (excluding summer sessions) of full-time attendance (semesters need not be consecutive). The student must maintain a 3.0 GPA or better each semester to remain eligible. The scholarship totals $1500 per year.

For more information about Western scholarships, visit www.missouriwestern.edu/FinAid or call 816/271-4361.

2+2+2 equals a great career!
