CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

Criteria for acceptance will be the same for transfer as for native students.

MCC, upon request of students, will provide verification of completed courses to Avila through its Office of the Registrar.

The Office of the Registrar will evaluate transcripts of students transferring from MCC.

Transfer students from MCC will have access to financial aid, scholarships, and student services on the same basis as native students.

Minimum grade standards for academic progress and graduation from MCC will be subject to no further review by Avila.

Avila will apply the same academic progress and graduation standards to MCC transfer students as those applicable to native students at Avila.
